Godfrey discussed reaction to the bombing of the power plant in Hanoi.

DD/I noted the completion yesterday of a package of some sixteen separate studies on Vietnam with a twenty-page intra-Agency coordinated synthesis. He said that the Director intends to provide him with a dissemination list later in the day.

DD/I will host a luncheon today for Leroy Lewis, the general solicitor of U. S. Steel.

Kent said that ONE is working on memoranda, intended to be completed in the course of the day, on the implications of war in the Middle East.

[REDACTED] reported on last night's meeting of the Watch Committee, which was unwilling to opine on the outcome of the hostilities between Israel and the Arabs without further study. There followed some general discussion on UAR and Israeli military strengths.

DD/S reported on the results of "Operation Cleanup '67," involving some 9 percent of Headquarters files or 18,000 cubic feet.
